

The Home and School Association is happy to announce that the  
**2018 Ski Trip is back on.**

We will be heading to Jack Frost / Big Boulder Mountain on January 27, 2018 departing at approximately 7:00AM

Students in grades 5-8 are welcome to attend this year's event and ride the bus. HOWEVER....any child in fifth grade must have a chaperone accompany them (there will be no exceptions)

We have reserved the bus. When the first bus is full....we will open up a waiting list for the second bus.

Families with students in any grade are welcome to purchase our discounted tickets and make this a family day by driving up to the mountain yourself.

We will need chaperones who are willing to ride the bus for a discounted rate.
