

2018 Chance & Auction

The Chance and Auction Committee is working hard to make the 2018 event even bigger and better than before! This year, once again, you will be able to pre-order chance cards and have them ready for the night of the event. If you would like to put your name on the back to help speed the process of calling all the numbers feel free to do so. The numbers will still remain the primary method of verification so please don't put your label on top of the number. The advance purchase price is \$25 for 11 chance cards.

To order please return the bottom portion of this letter with your check
