

Preview Night

What is Preview Night?

Preview night affords you extra time to take in the hundreds of creative and enticing baskets on display. You are free to move at your own pace and drop your tickets in the baskets you want to win on the night of Chance and Auction. No pressure of crowds and time constraints. Get a sneak peek at some of the larger chance drawings like the Tuition Voucher, 3 for \$5 chances and 3 for \$10 chances.

Who can go to Preview Night?

There is no charge to attend Preview Night. Anyone can just stop in at Preview Night. Parish members who do not have a ticket for Chance and Auction and would like to see why this event is so popular and sells out so quickly can drop by for a look. Make it a family night and bring the kids. The kids love looking at all the baskets on display and putting tickets in the baskets that they like.

Can I buy chance cards?

OF COURSE YOU CAN! On Preview night you get 11 chances cards for \$25. Buy them and drop them in your selected baskets or take them home to detach the Chance tickets from the card. Please remember you must be present on the night of Chance and Auction to win or have made arrangements with someone who is a ticket holder for Chance and Auction to claim chance baskets.
