

## **Stationery Lists for the School Year 2018-2019**

In order for you to catch the stationery sales during the summer, we are printing the items that may be purchased **outside of school**.

Please do not purchase any other items except the ones mentioned for the grade your child will be in next year.

Beginning this school year, we will share the cost of providing lunch supervision with the parish. **Each child** is asked to **remit \$60** for a SCHOOL FEE. **\$30 will be used for classroom purposes and \$30 will be used for lunch supervision.**

➤ **This fee – per child – is due in total on or before October 1, 2019.**

➤ **Please note that we do not collect for materials needed in other departments so as to keep your costs to a minimum.**

Thank you for your cooperation in supplying these materials and assisting us with and for your children!
